

Make Change Associates has now formed a partnership with Language Links, based in Western Australia. This now allows candidates to register and undertake one of their programs. When they complete they can then be referred to a higher Institution to continue their chosen career. Here are some of the great reasons why to study at Language Links.

- 1. They offer a wide range of quality English courses including** General English, IELTS Preparation, Teacher Training and all levels of Cambridge Exam preparation.
- 2. Students have the opportunity to complete their English course as an 'Award Course'** enabling them to receive a nationally recognised qualification!
- 3. A range of Pathways to suit individual future educational goals:** The English qualifications issued by Language Links are recognised by a variety of Universities and Higher Education institutions such as:

TAFE international – Certificate II to Advanced Diploma) – Most Industries

PIBT / ECU – Certificate IV to Advanced Diploma):

Business, Computing, IT, Communications, Science(Health Studies and Engineering Studies) Hotel Management and University Foundation programs – Lead by ECU degree courses.

ACAE – Certificate II to Diploma

Hospitality, Tourism, Events, Business and Management courses leading to degree programs all with a work-placement component

4. Free academic advice plus an individual study plan is offered to students wishing to complete a Higher Education course in order to help students achieve their study goals. Language Links specialises in Academic English courses to prepare students for Higher Education.

5. Student Visas: Students are offered a Visa to enable candidates to package English and Higher Education programs together when they apply for their VISA.

6. All course and study materials are provided by the college.
