

Our specially designed courses give you the opportunity to study from the comfort of your home.

What is Distance Learning?

- Studying a structured course with the flexibility to choose your own time and place, and the pace at which you complete your studies.
- Studying materials sent to you by email and post.
- Being supported by a personal tutor who gives you guidance and advice.

All our Courses are Internationally Recognized

- they are accredited by national validation organisations
- they are highly respected by employers internationally
- they are accepted as entry qualifications for higher level courses
